Bernard L Madoff Investment Securities LLC
Adjudication of "Net Equity" Issue

Dear Sir,

I am president (one of the signators) of the Holy Ghost Fathers South West Brazil, a customer of Bernard L. Madoff Investment Securities LLC. I write in the name of the Holy Ghost Fathers South West Brazil.

I received your correspondence relating to the question of Net Equity in relation to the SIPC v. Bernard L. Madoff Investment Securities LLC case.

As our missionary work has been seriously damaged by the case, I must ask for the figure that favours us. I therefore reply asking that our Net Equity under SIPA be considered to be equal to the value of the securities positions and credit balance reflected in our last statement.
